

APR2017

NEWSLETTER

we are grateful

...to God for giving us this facility to bless the communities and body of Christ in and around East London as they conduct their programmes.

To our friends

We want to give our sincerest thanks to all the people who give of their time, knowledge and commitment to LekkerOord. We are looking forward to the year ahead and the new projects that will start soon. Our web designer Deon Lieberum from Iguana media has been a blessing and his hard work and dedication to our projects is amazing....thank you Deon.

Maintenance

We are very excited to start with our phase 1 in May 2017 so please bears in mind there will be a limited accommodation available between 29 May 2017 and 14 August 2017 kindly book in advance that you will not be disappointed.

Experience learning

Our adventure department is registered with CCSA and ARA and programs are worked out to enhance your teams camping experience whether you have one session or a full program. Our programs offer different experiences like teaching and facilitating with different outcomes being available. We were blessed this year to work with "Reach for a dream." Thank you to everyone who was involved for making this happen at LekkerOord.

Catering

We have a dedicated team running our kitchen and different options are available with or without catering. We have always tried to keep the packages as affordable as possible.

Security

Security is a top priority at Lekkeroord. We therefore implemented a beam system and a security guard. Our security company is on 24/7 standby to assist with any security related matters. Staff and clients are also responsible to create a safe environment by adhering to the rules of the campsite; we therefore rely on the cooperation of all people who use the facility to be "safety smart". God is our protector and we ultimately rely on Him to keep us safe.

The people we serve

Our campsites are group orientated and we mainly serve schools and churches all around the Eastern Cape. We are grateful to have a few clients that constantly travel very far to come and visit us and we are grateful to be able to spread the word of God far and wide.

Financial

Lekkeroord is able to cover all its current liabilities with respect to salaries, maintenance, electricity, etc. There are, however, financial challenges as a result of improvement initiatives. We trust the Lord for His provision for the future, yet we are also grateful that we are able to maintain the status quo. We have recently registered with a go fund me project and will share the link as soon as it's available.

We are registered as a tax deductible organisation.

Project

We have almost raised the first amount needed for phase 1 of our intended renovations and will start the process of raising the rest of the R4.5 million needed to be able to start with phase 2 in the near future. If you would like to support this project please contact our financial director Trevor Hofart on 0437212590 or 082 576 3771.

How you can help and become part of Lekkeroord

We are always looking for helping hands when it comes to our projects such as: building new facilities, upgrading roads and/or parking and getting involved with staff regarding spiritual growth.

It is with sadness that we say goodbye to one of our directors.

Aunty Melba Hessel was part of Lekkeroord from August 2003. She was an amazing woman of God that gave love and care with open arms. She always greeted with the words of "hello my girl how are you doing today" She will be missed and we thank the Lord for the opportunity of knowing her. All our love and support to her family in this time.
