

## we are grateful

...to God for giving us this facility to bless the communities and body of Christ in and around East London as they conduct their programmes.

## To our friends

Thank you for partnering with us and for your love and support throughout. The LekkerOord family have many things in common but the one we are most excited about is that we all love Jesus passionately. LekkerOord only purpose is to glorify and honour Him in all we do. We value your friendship. We want to give a great thanks to Deon Lieberum for our rebranding and also our new website we also want to say thank you to clearedge projects (Dave) for installing our new septic system. We are truly thankful for people around us helping and supporting the campsite.

## Maintenance

We are glad to say that our new septic system is fully installed and working. We have also completed 2 new rooms on the campsite that includes a pastor and teachers accommodation. We are very excited to start with our phase 1 in May next year so please bear in mind there will be a limited accommodation available between the months of 1 May-1 August 2017 so book in advance that you will not be disappointed.

## Experience learning

Natasha and Thandiswa is running the adventure department and have put together different options to make your programs unforgettable.

## Security

Security is a top priority at LekkerOord. We therefore implemented a beam system and a security guard. Our security company is on 24/7 standby to assist with any security related matters. Staff and clients are also responsible to create a safe environment by adhering to the rules of the campsite; we therefore rely on the cooperation of all people who use the facility to be "safety smart". God is our protector and we ultimately rely on Him to keep us safe.

## Catering

Our staffs is working hard to make sure that the different options that we offer fits in with your needs. Our head caterer Jeannette is always looking for recipies to test out and we believe that you will not be sorry for taking one of our options

## *The people we serve*

School and church groups from all around the Eastern Cape use Lekkeroord regularly. All the staff on the campsite was called for this ministry and we enjoy every moment to be able to work alongside people who serve and love Jesus. We are looking forward to the remainder of the year and meet people who will become part of our family.

## *Financial*

Lekkeroord is able to cover all its current liabilities with respect to salaries, maintenance, electricity, etc. There are, however, financial challenges as a result of improvement initiatives. We trust the Lord for His provision in the future, yet we are also grateful that we are able to maintain the status quo.

We are also registered as a [tax deductible donations organisation](#).

We have just about managed to raise the first amount that is needed for our phase 1 but will start the process of raising the rest of R3.5 million for the start with phase 2 in the near future. If you want to support this project please contact Trevor Hofart on 043 721 2590 (Financial Director).

## *How you can help and become part of Lekkeroord*

We are always looking for helping hands when it comes to our projects, such as building stages or facilities or even getting involved with staff regarding spiritual growth.
